

GATHERINGS

The Center at Maple Grove is a place of reverence and respect – a place where families may gather for remembrance, inspiration and the celebration of life.

The Center is the twenty-first century centerpiece of historic Maple Grove Cemetery. With an atmosphere of peace and quiet dignity, The Center offers families a place to gather for interment services, memorial celebrations and remembrance events. Several beautifully appointed rooms, accommodating up to 150 people, provide gracious and private settings for families to come together – to share cherished memories and to create new ones.

Easily reached via major road and transportation systems, The Center at Maple Grove offers onsite parking and is handicapped accessible. Catering options are available. Designed to be environmentally sustainable, The Center demonstrates respect for the future and reverence for the past.
